1- Introduction

2- Data Systems

3- Analysis

4- Recommendation

5- Implementation Plan

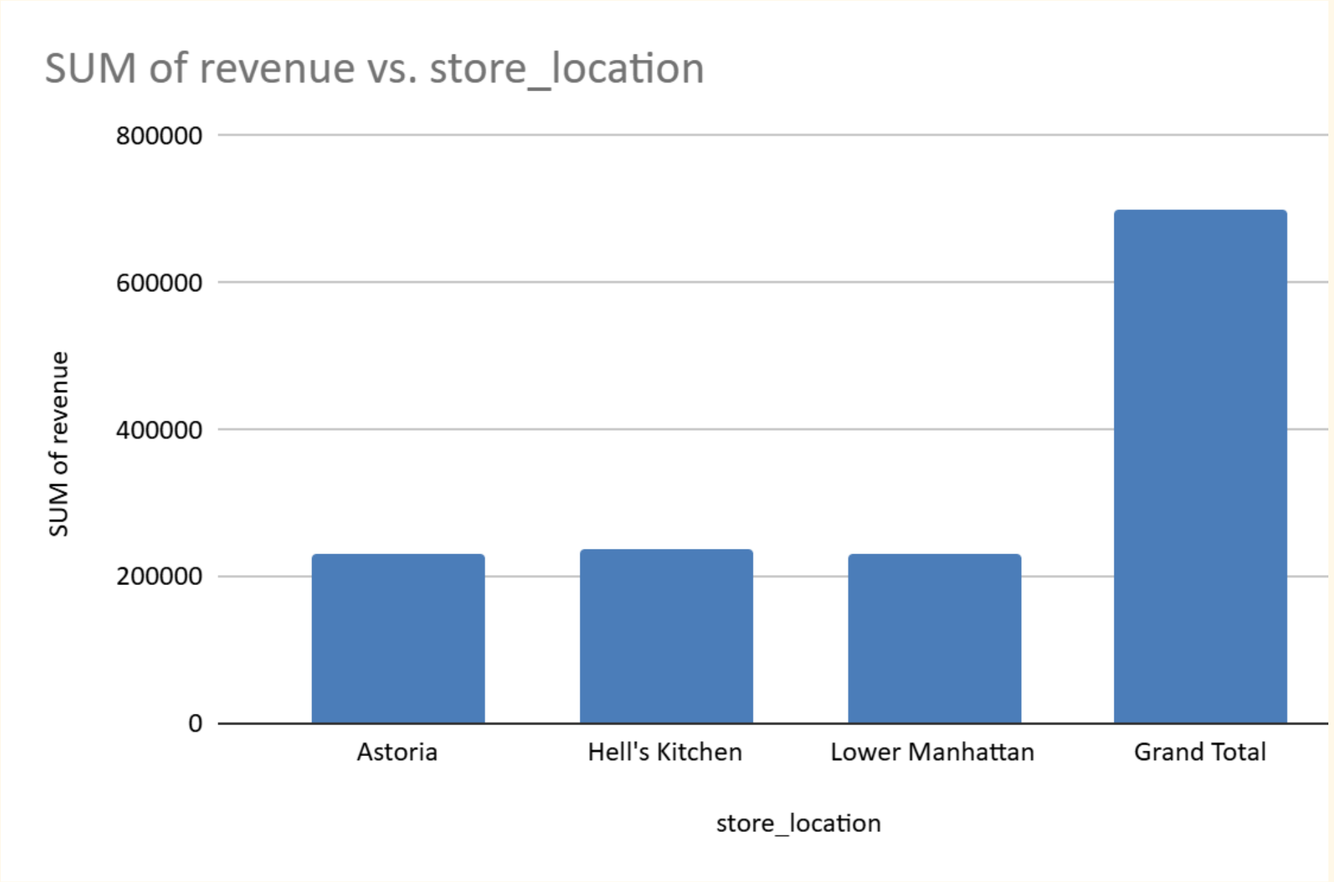
6- Q&A

The high-level "Grand Totals" that the CEO needs to know first.

Total Revenue: $698,812.33

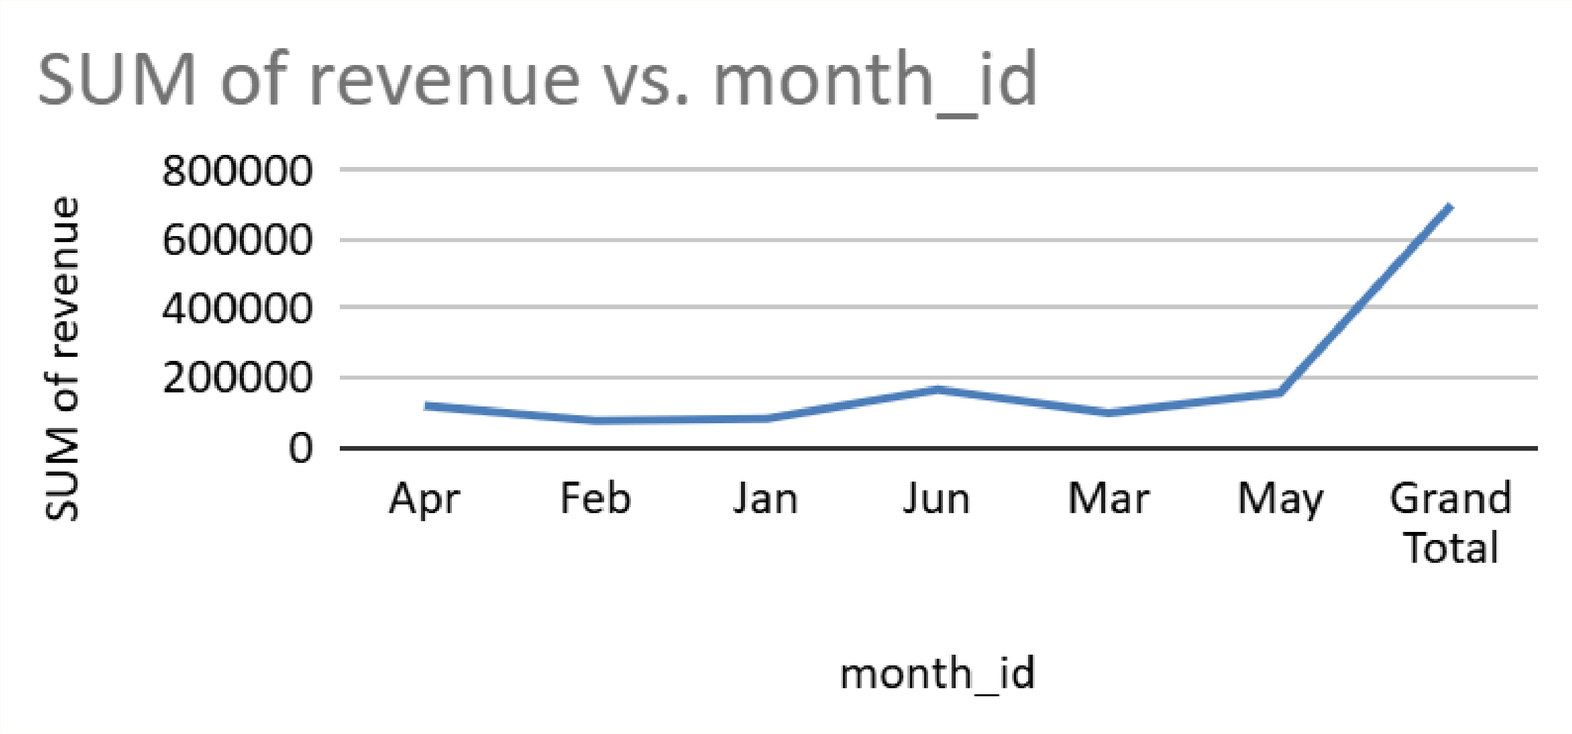
Total Quantity Sold: ~2,833,223

Total Transactions: 149,117 rows



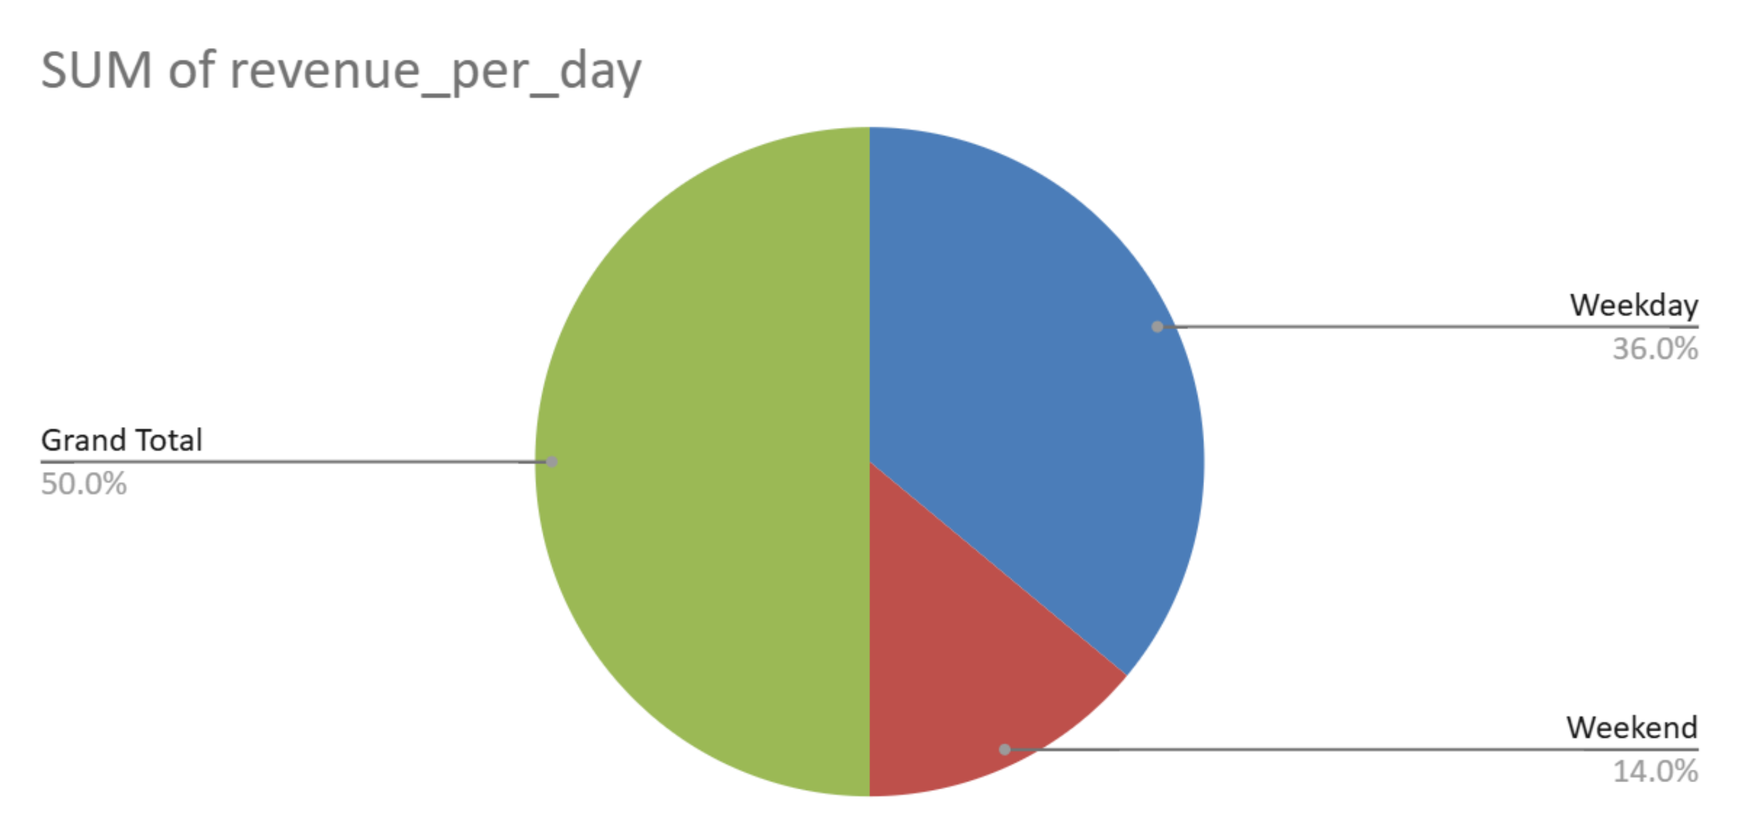
Monthly Sales Performance

- Upward trend from January to June.

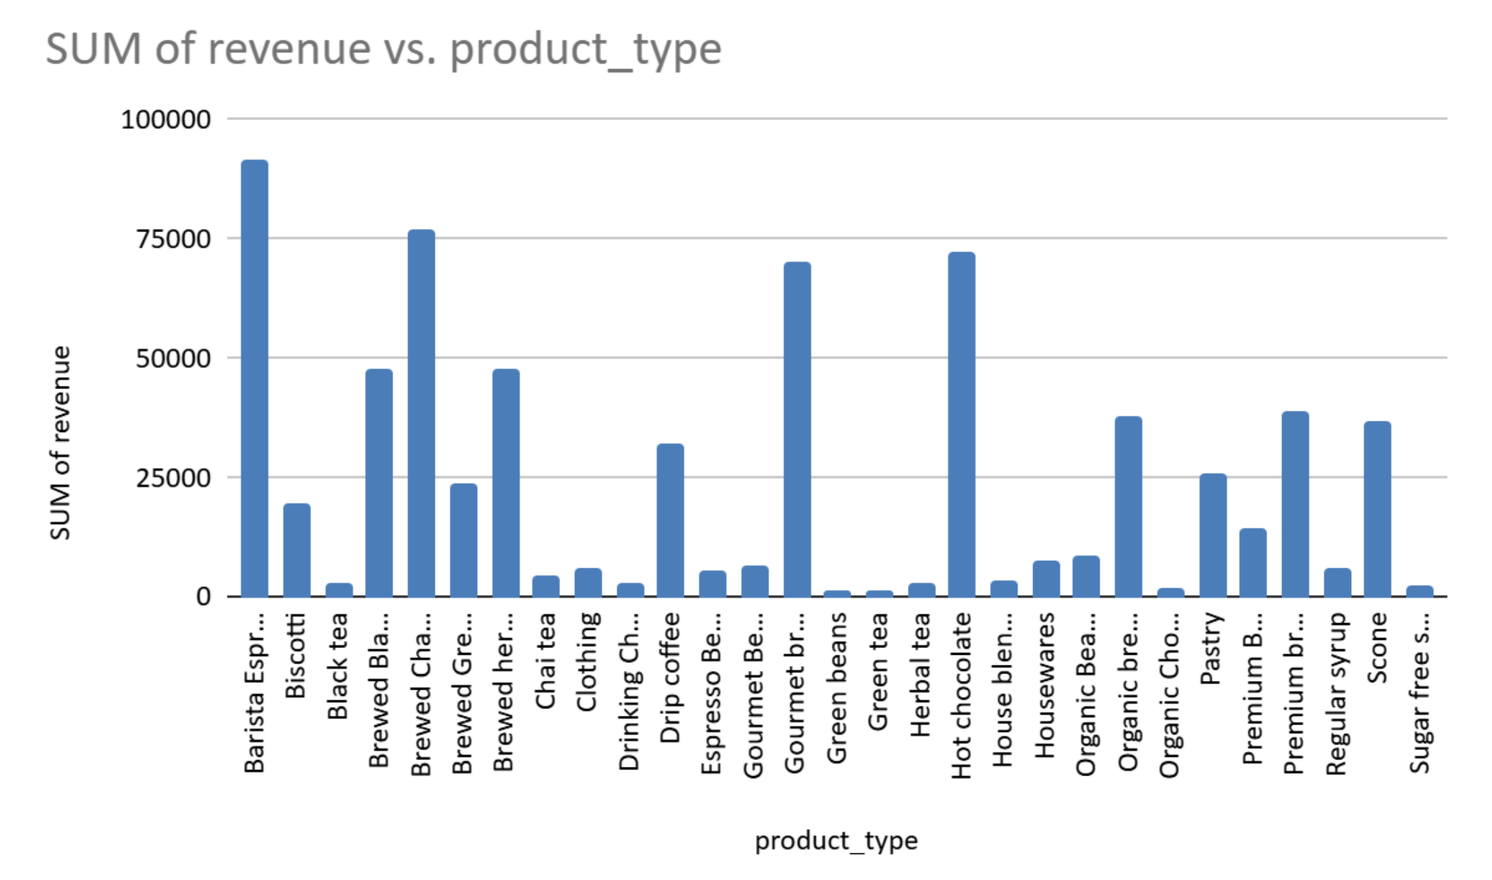


Peak Performance

Signature Coffees



Product Performance



Actionable items for the CEO

Staffing: Increase staff during the "Morning Rush" identified

Marketing: Launch campaigns for "Night" time slots, which currently show lower revenue

Product: Stock more of the best-selling items and promote underperforming ones

implementing loyalty programs

Thank You
